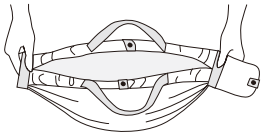
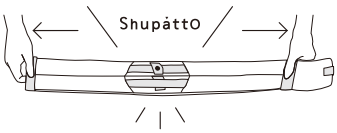
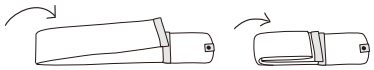
• Shupatto Compact Bag M



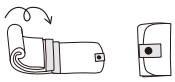
Hold the tapes of both ends and ...



Pull



Fold in half twice



Roll it up to close the button

○Precautions for Use

- Due to the foil finish, the foil may peel or transfer color from strong friction or repeated rubbing. Please be especially careful when wearing light-colored clothing.
- Children should not use this product without supervision.
- Store in a cool, dark, and well-ventilated place, avoiding high temperatures and humidity. Storing in close contact with other products (especially synthetic leather or PVC) may cause the foil to stick or lead to color transfer.
- Do not hang this bag for too long with heavy objects inside.
- This bag can be damaged when dragged or with sharp objects inside.
- Some color loss on this bag may be caused when it has just begun to be used and when in contact with wet objects.
- Do not use this product outside of its intended purpose.

○Product Care

- Do not wash (including hand washing).
- If the bag gets dirty, dip a soft cloth into a diluted synthetic detergent (laundry detergent, soap, etc.), tightly wring the cloth, and then gently wipe the surface by tapping.
- Do not use dryers or irons, as this may cause deformation or deterioration.
- Fold this bag down immediately after use.
- If the pleats do not fold in neatly, fold it after straightening the pleats along the pleat lines.
